

WEEKLY NEWSLETTER

VOL . 01

"Welcome to the Eleta Eye Institute Newsletter, our new way to stay connected with you!

As we mark this milestone in our journey, we're excited to share the latest news, updates, and insights from our team of experts in the field of ophthalmology. We're committed to keeping you informed about the latest developments in eye care and what it means for you.

Thank you for being part of the Eleta Eye Institute family, and we look forward to sharing this journey with you!"

FREE EYE SCREENING CAMP

Join us at the Eleta Eye Institute's upcoming Free Eye Camp, taking place from May 13th to May 16th, 2024!

We are thrilled to extend this opportunity to the community to receive comprehensive eye care services at absolutely no cost. Our team of skilled ophthalmologists, optometrists, and support staff will be on hand to provide eye screenings, consultations, and treatments to address a wide range of visual concerns.

ACCREDITATION

We are thrilled to announce that Eleta Eye Institute has been awarded accreditation for our training programs in the field of ophthalmology! This prestigious recognition is a testament to our commitment to excellence in education and the high standards we uphold in training the next generation of eye care professionals.

The accreditation serves as a validation of the quality of our training programs, recognizing the expertise and dedication of our instructors and the comprehensive curriculum we offer. It also signifies that our institute meets or exceeds the stringent standards set by accrediting bodies in the field of ophthalmology.
